Stubborn Poetries Peter Quartermain, 2013-06-25 *Stubborn Poetries* is a study of poets whose work, because of its difficulty, apparent obduracy, or simple resistance to conventional explication, remains more-or-less firmly outside the canon. The focus of the essays in *Stubborn Poetries* by Peter Quartermain is on nonmainstream poets—often unknown, unstudied, and neglected writers whose work bucks preconceived notions of what constitutes the avant-garde. “Canonical Strategies and the Question of Authority: T.S. Eliot and William Carlos Williams” opens the collection and sounds a central theme: Quartermain argues that Williams, especially in his early work, sought noncanonical status, in contrast to Eliot, who rapidly identified his work with a literary and critical establishment. As is well known, Eliot attracted early critical and academic attention; Williams did not. Williams’s insistence that the personal and individual constituted his sole authority is echoed again and again in the work of the writers examined in the subsequent essays. In considering the question “What makes the poems the way they are?” most of the essays offer close readings (etymological, social, linguistic, and even political) of linguistically innovative twentieth-century poets. Linguistic innovation, as Marjorie Perloff and many other critics have shown, shows no reverence for national boundaries; two of the poets discussed are British (Basil Bunting and Richard Caddel) and two Canadian (Robin Blaser and Steve McCaffery). The last four essays in the book consider more general

topics: the shape and nature of the book, the nature of poetic fact, the performance of the poem (is it possible to read a poem aloud well?), and--closing the book--an excursus (via the Greek myth of Io and the typography of Geofroy Tory) on the alphabet.

Against Expression Craig Dworkin,Kenneth Goldsmith,2011-01-17 Charles Bernstein has described conceptual poetry pregnant with thought. Against Expression, the premier anthology of conceptual writing, presents work that is by turns thoughtful, funny, provocative, and disturbing. Editors Craig Dworkin and Kenneth Goldsmith chart the trajectory of the conceptual aesthetic from early precursors such as Samuel Beckett and Marcel Duchamp through major avant-garde groups of the past century, including Dada, Oulipo, Fluxus, and language poetry, to name just a few. The works of more than a hundred writers from Aasprong to Zykov demonstrate a remarkable variety of new ways of thinking about the nature of texts, information, and art, using found, appropriated, and randomly generated texts to explore the possibilities of non-expressive language. --Book Jacket.

Look Back in Hunger Jo Brand,2009-10-01 Jo Brand is one of Britain's funniest and best-loved comedians. With a sharp eye for the absurd and in her own unique voice she tells her story for the first time. What possessed her to become a professional comedian in the cut-throat world of stand-up comedy after ten years as a psychiatric nurse? How did she deal with late night drunken audiences? Raised in middle class comfort, she left home in her teens to live with someone entirely inappropriate. Her parents were aghast at her behaviour and attempted to rein in her excesses, finally giving up when she demonstrated that she was not headed for the life of a nun. From her early years growing up in a small south coast town with two brothers who toughened her up, to emerging on stage as 'The Sea Monster', Jo Brand tells it like it is with wit, candour and a wonderful sense that life can be ridiculous but there's always a funny side.Jo Brand is one of Britain's funniest and best-loved comedians. With a sharp eye for the absurd and in her own unique voice she tells her story for the first time.

All the Whiskey in Heaven Charles Bernstein, 2012 All the Whiskey in Heaven brings together Charles Bernstein's best work from the past thirty years, an astonishing assortment of different types of poems. Yet despite the distinctive differences from poem to poem, Bernstein's characteristic explorations of how language both limits and liberates thought are present throughout. Modulating the comic and the dark structural invention with buoyant soundplay, these challenging works give way to poems of lyric excess and striking emotional range. This is poetry for poetry's sake, as formally radical as it is socially engaged, providing equal measures of aesthetic pleasure, hilarity, and philosophical reflection. Long considered one of America's most inventive and influential contemporary poets, Bernstein reveals himself to be both trickster and charmer.

Mrs Beeton Says... Helen Watts,2020-02-28 As with the commander of an army, so is it with the mistress of a house. Isabella Beeton was only twenty three years old when she penned these words in *Mrs Beeton's Book of Household Management*, first published in 1861. She could not have predicted how they would resonate with the women of England, nor could she have imagined how her name would become synonymous with culinary expertise and domestic bliss for generations to come. *Mrs Beeton Says...* is a charming and vibrant musical examining the life and legacy of this extraordinary woman: a spirited journalist, a tireless entrepreneur, and if not a perfect homemaker, then certainly a queen of organization. In a world where a woman could not vote, own a house, nor even ride a bicycle, Mrs Beeton's book gave the women of England something they desperately wanted: a bit of control.

High Challenge, Low Threat Mary Myatt,2016 *High Challenge, Low Threat* is Mary Myatt's smart and thoughtful exploration of all the things that wise leaders do. Informed through thousands of conversations over a 20-year period in education, Mary shows the lessons that school management teams can learn from leaders in a wide range of other sectors and points to the conditions which these leaders create to allow colleagues to engage with difficult issues enthusiastically and wholeheartedly. This book makes the case that any leadership role is concerned primarily with the relationships between individuals. It is the quality of these, whatever the size of the organisation, which make the difference between organisations which thrive, and those which stagnate. This is not to argue for soft, easy and comfortable options. Instead it considers how top leaders manage to walk the line between the impossible and the possible, between the undoable and the doable, and to create conditions for productive work which transcend the difficulties which come towards us every day. Instead of dodging them, they embrace them. And by navigating high challenge, low threat, they show how others how to do the same.

Close Listening Charles Bernstein,1998-04-30 Close Listening brings together seventeen strikingly original essays, especially written for this volume, on the poetry reading, the sound of poetry, and the visual performance of poetry. While the performance of poetry is as old as poetry itself, critical attention to modern and postmodern poetry performance has been surprisingly slight. This volume, featuring work by critics and poets such as Marjorie Perloff, Susan Stewart, Johanna Drucker, Dennis Tedlock, and Susan Howe, is the first comprehensive introduction to the ways in which twentieth-century poetry has been practiced as a performance art. From the performance styles of individual poets and types of poetry to the relation of sound to meaning, from historical and social approaches to poetry readings to new imaginations of prosody, the entries gathered here investigate a compelling range of topics for anyone interested in poetry. Taken together, these essays encourage new forms of close listenings--not only to the printed text of poems but also to tapes, performances, and other expressions of the sounded and visualized word. The time is right for such a volume: with readings, spoken word events, and the Web gaining an increasing audience for poetry, Close Listening opens a number of new avenues for the critical discussion of the sound and performance of poetry.

Stalin's Englishman: The Lives of Guy Burgess Andrew Lownie,2015-09-10 Winner of the St Ermin's Intelligence Book of the Year Award. 'One of the great biographies of 2015.' The Times Fully updated edition including recently released information. A Guardian Book of the Year. The Times Best Biography of the Year. Mail on Sunday Biography of the Year. Daily Mail Biography of Year. Spectator Book of the Year. BBC History Book of the Year. 'A remarkable and definitive portrait ' Frederick Forsyth 'Andrew Lownie's biography of Guy Burgess, Stalin's Englishman ... shrewd, thorough, revelatory.'

William Boyd 'In the sad and funny Stalin's Englishman, [Lownie] manages to convey the charm as well as the turpitude.' Craig Brown Guy Burgess was the most important, complex and fascinating of 'The Cambridge Spies' - Maclean, Philby, Blunt - all brilliant young men recruited in the 1930s to betray their country to the Soviet Union. An engaging and charming companion to many, an unappealing, utterly ruthless manipulator to others, Burgess rose through academia, the BBC, the Foreign Office, MI5 and MI6, gaining access to thousands of highly sensitive secret documents which he passed to his Russian handlers. In this first full biography, Andrew Lownie shows us how even Burgess's chaotic personal life of drunken philandering did nothing to stop his penetration and betrayal of the British Intelligence Service. Even when he was under suspicion, the fabled charm which had enabled many close personal relationships with influential Establishment figures (including Winston Churchill) prevented his exposure as a spy for many years. Through interviews with more than a hundred people who knew Burgess personally, many of whom have never spoken about him before, and the discovery of hitherto secret files, Stalin's Englishman brilliantly unravels the many lives of Guy Burgess in all their intriguing, chilling, colourful, tragi-comic wonder.

Back on Track: Fewer things, greater depth Mary Myatt, 2020-09-15 There are a lot of redundant processes in schools. We need to take a hard look at these and consider whether they are adding value to the core purpose of schools. We need to apply Greg McKeown's 'disciplined pursuit of less' in order to create the time and space to do deep, satisfying work on the curriculum. This means that there will be some hard choices and recognise that if we cannot do everything, we need to move to a space which acknowledges there will be trade offs. This is more than a workload issue, it is about focusing our efforts on the most important agenda item in schools today - the development of an ambitious curriculum for every child, in every school.

Poor Things Alasdair Gray, 2023-10-10 Basis for the Major Motion Picture starring Emma Stone, Ramy Youssef, Mark Ruffalo, and Willem Dafoe, directed by Yorgos Lanthimos. Witty and delightfully written (New York Times Book Review), Alasdair Gray's Poor Things echoes Mary Shelley's Frankenstein in this novel of a young woman freeing herself from the confines of the suffocating Victorian society she was created to serve. Winner of the Whitbread Award and the Guardian Fiction Prize In the 1880s in Glasgow, Scotland, medical student Archibald McCandless finds himself enchanted with the intriguing creature known as Bella Baxter. Supposedly the product of the fiendish scientist Godwin Baxter, Bella was resurrected for the sole purpose of fulfilling the whims of her benefactor. As his desire turns to obsession, Archibald's motives to free Bella are revealed to be as selfish as Godwin's, who claims her body and soul. But Bella has her own passions to pursue. Passions that take her to aristocratic casinos, low-life Alexandria, and a Parisian bordello, reaching an interrupted climax in a Scottish church. Exploring her station as a woman in the shadow of the patriarchy, Bella knows it is up to her to free herself—and to decide what meaning, if any, true love has in her life. "Gray has the look of a latter-day William Blake,

with his extravagant myth-making, his strong social conscience, his liberating vision of sexuality and his flashes of righteous indignation tempered with scathing wit and sly self-mockery.” —Los Angeles Times Book Review “This work of inspired lunacy effectively skewers class snobbery, British imperialism, prudishness and the tenets of received wisdom.”—Publishers Weekly
